

## PRESIDENT'S MESSAGE

**Blake Lindsay, 2022-23 Club President**

### **ENVISION SERVICE**

"Throughout the past several years, I have thoroughly enjoyed being a member and serving in the Oak Cliff Lions Club. I have made many friends who have become a significant part of my life. This service-driven opportunity has also strengthened my desire to help people in every way I am able. I am pleased that my loss of sight hasn't diminished your confidence in my ability to serve. InterVision is something I have plenty of. I want us to envision service in our community as much as ever. I am abundantly motivated this year to work for this great club by being a servant leader. I am thrilled with the talent in our group. It is encouraging to know how many of us are eager to participate in serving people in our community through timely projects.

"Thank you all for your encouragement and confidence in believing I am worthy of serving as president for Oak Cliff Lions – the BEST Lions Club in Lions International! This year, let's go out into our community and "envision our very best possible service."
